Reflections

1. The Holy Spirit guides Phillip to evangelize in Samaria, traditional enemy of Israel, and then to travel down a desert road toward Gaza where he meets an Ethiopian eunuch. When and how has the Holy Spirit led you to do something you never considered doing before? Describe how you felt and the results.

2. Peter and John laid hands on the newly baptized Samaritans, and the Samaritans received the Holy Spirit. Our church still uses prayer and the laying-on of hands to commission people to the offices of deacon, elder, and ministry. Have you experienced the laying-on of hands? How did it affect you?
